This candle, symbol of Jesus Christ's love and light, was placed in God's presence and blessed at St. Paul's, my parish church, so that, through the invocation of God's Most Holy Name and through the prayers of Mary, the Mother of God, it may:

- bring God's blessing in every place it is kept;
- dispel every darkness and keep away every evil;
- bring strength to the sick, consolation to the bereaved, and comfort to the dying;
- protect the homes where it is kept, and all those who live there, from every harm of the body and of the soul.

When you light it, you become partaker of this blessing and of our prayers here at St. Paul's. May God, through this blessed candle, fill your life, your heart, and your home with his love and light, blessing and protection.

+ + +

Let us know if we can pray for you. And if you ever feel like, come and join us for our 10.30am Sunday service and for tea and coffee after.
