

WESTHAM BENEVOLENT FUND

The Westham Benevolent Fund is a Charity which is run for the benefit of sick and poor persons residing in or carrying out business in the Ecclesiastical Parish of St Paul, Weymouth. The Trustees are able to give financial assistance for reasons such as the supply of special food or medicines, medical supplies, extra bedding, provision of domestic help and cost of convalescence including the cost of transport. The list is by no means conclusive and anyone with a genuine case will be given sympathetic consideration.

The Trustees meet four times a year (in January, April, July and November).

Nominations for assistance are also accepted on behalf of a person requiring the financial relief.

If you would like to make an application on your own behalf or on behalf of someone who is in need of assistance, please complete the application form below and over the page.

Please state briefly the nature of the application

Please supply two original estimates or quotations for the work or goods requested on headed paper.

The Trustees are unable to process your application until these have been received.

If the Trustees decide to support your application, they will either:

- make a cheque payable to the shop where you want to buy the goods
- or*
- make a cheque payable to the person who will do the required work for you.

The Fund does not make cheques payable personally to applicants or the person needing assistance. Following the award of a grant, an original receipted account for the goods should be sent to the Clerk to claim the money.

Please return the completed application form with the estimates or quotations to:
